Bill OF Materials #1908SM8

Today's Date: 27th March 2018

Booking With Customer: No Install Date: If no date, Please explain:the costumer will let us know when he is ready

Booking with customer added to service m8 schedule: No If not booked, Please Explain: costumer will let us know wen he is ready

Extra notes:he wants later more panels i would sell him a bigger inverter

Quantity Material

All bill of materials are correct and that the install date has been booked with client as well as in service m8 calander. Or notes have been made why I have not completed these tasks.
